ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

**PLEASE NOTE:** MDA staff will not be releasing code numbers after a course is completed. Please do not request such information. If you do not obtain the code at the program, you must provide some other form of proof of attendance. Contact the State Board of Dental Practice (287-3333) for a list of acceptable "proof" of attendance.

Licensees are also reminded that it is their responsibility to retain proof of attendance at all CE programs, in order to provide evidence in the event of a State Board audit.
